AMAZING AZERBAIJAN

Some people like nature, some like history, others prefer adrenaline or sports like as golf, horse riding, while others like sightseeing and so on. What about finding them at one place? You can find all in Azerbaijan, because the region is located on the Caspian Sea that provides perfect sightseeing, clean beaches and get pleasure from song of waves, stingy relief of The Caucasus Mountains offers beautiful and colorful view at autumn, white nature at winter and green life at summer and spring where there is a long destination for hiking.

GABALA

With one word we can name here as mountain city and this advantage lets it to amaze the people via its view, comfortable and touristic places. People use these great potentials and make more attractive for the people, as an example we can mention Cable Car, Gabaland, Shooting center and mountain restaurants which are amazing to feel cold in summer and white cover in winter.

GUBA

The mountains ground great potential for tourism and Guba is one of these places. Big mountain, lake and forest views, clean weather, winter activities, cable car, ways on stingy mountains are examples.

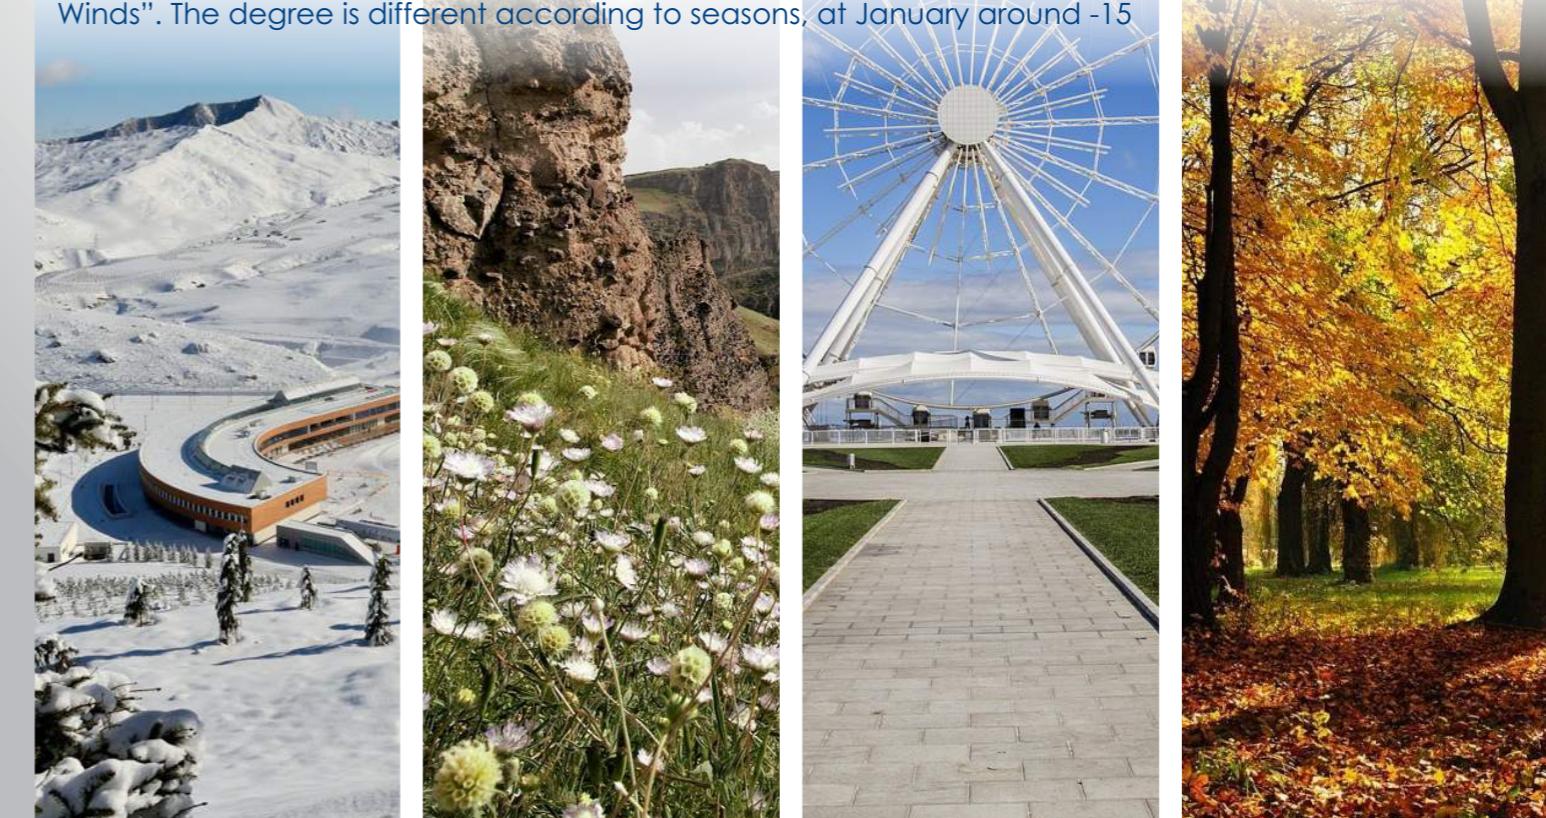

ART & CULTURE

There is one phrase " If don't know your history you don't know yourself" – The history that reminds you your origin, your traditions and culture. That is not so hard to remember all of them, just visit museums, art galleries, national music festivals, carpet muesums. When go inside you will enter your history and start to live at there, colourful carpets, how they made them that require big time and efford, songs sounds like history, takes you to there as well.

CLIMATE

The region has 9 climate types that makes region beneficial for agriculture, tourism and industry as well. Advantage of having 4 seasons within 3months lets to get pleasure from all. Cahanges of climate mostly appear on mountains and forests where are green and cool in summer, colorful in autumn and white in winter. Seaside regions are windy because of Caspian Sea and that is why Baku is named as " City of Winds". The degree is different according to seasons, at January around -15

CURRENCY

At the 2004 Azerbaijan currency changed to manat. Formally manat is named as AZN. Currency is divided into 200, 100, 50, 20, 10, 5, 1 manats and copecks – 50, 20, 10, 5, 3, 1 copecks. Power of manat in front of other currencies:
